HURRY, THERE'S LITTLE TIME...

Earth is about to explode, and billionaire Donald Trump (62 years old) has bought a ship that can take no more than eight additional passengers to the moon. Already on board are Trump, his wife, Melania (38) his five children (Donald, Jr. 31, Ivanka 27, Eric 25, Tiffany 15 and Baron 2) and the pilot (married white male, 42). The following people have shown up to board the Starship Trump, but which eight will get picked to go? You decide!
